ANDHERI (WEST)

(AUTONOMOUS)

program focuses on individual research guide/dept thrust area that is modern, relevant and having impact on society and students should access the college website to know the area in which Ph. D positions will be filled. The Ph.D. admission notice itself has profile of staff members with their thrust area mentioned. The candidates during the interview will have to select these thrust area topics and make presentation on the topic of interest that is unique and innovative. The candidates can get in touch with research guides to have a better understanding about the topic of presentation; which will be adjudged on qualities of uniqueness, scientific rationale, relevance to society and understanding of the subject. Exceptional research topics which may not fall within the rubric of the faculty research will also be considered for presentations.

The interviews will be scheduled in next 15 days from to date to enable the candidates to have enough time for preparing for the presentation which will be held in Bhavan's College. The date and time will be displayed on the Bhavans College website only.

Wishing all the best to all the prospective research students of Bhavans college .

Convenor,

RCMC, Bhavan's College, Andheri

Principal,

Bhavan's College, Andheri

Note- The candidates are advised to keep visiting Bhavan's website for date and time of Interview. No separate email will be sent to any candidates.
