Students Notice regarding Ph.D Interview's

Dear Students,

With respect to Ph.D. admission notice, we have received the application from many students. Kindly check and get back to us in case of any discrepancy using the email address rcmc@bhavans.ac.in within one week from the date of this notice.

Kindly find below the list of research guides and their research interest. You can contact the respective research guide through their email address as given in the list attached, as per your interest and prepare a proposal for presentation during the Ph. D admission in front of the committee. The tentative vacancy with each staff member is also mentioned in the list.

The date of interview is 3/12/2022 from 1 pm onwards. The email regarding the interview is already sent to you all.

Wishing you all the best for your future endeavors.
