Online Education

1. Does all programs/courses were completed on time.		Yes	
2. Measures taken to complete the syllabus of courses and programs.		<p>The syllabi of various courses and programs during the pandemic period was completed in time due to the concerted efforts of the teachers who though sitting at home took lectures online. The college provided dedicated paid ZOOM platforms to the faculties that enable them to conduct lectures as per the time table on secured platforms. Various teaching modules conducive for online teaching like whiteboard, jam boards, PPT's presentation, chemwindow, etc. were used which enable the students to adapt to the new style of teaching. Students were given dedicated digital ID's that enable them to enter the digital platforms, besides enabling the college to obtain attendance.</p> <p>Use of Mastersoft ERP systems and paid apps like TeachUs acquired by the college helps us to monitor the teaching undertaken and access whether it matched the teaching plans that were made earlier. Practicals which could not be physically performed due to the pandemic were taught using animated platforms and simulated websites created by various IIT Professors.</p> <p>Continuous internal assessments which form the part of our evaluation process after attaining autonomy was continued even during pandemic through use of google forms and monitoring/proctoring during these tests and evaluation were done using cameras.</p>
